We will talk over your options with you. You may only need some one-time advice or you may want an

Learn all the skills you will need to raise and provide for your child in a nurturing home. We provide **training** in life-skills, will help you finish High School or get job experience, and be **with you every step of the way**. When you leave Esperanza Ranch, you will be ready to face the challenges of life and you will always **be part of our family**.

What is expected of you...

The most common question we get is "what are the rules?" If you come to Esperanza Ranch, you'll be **part of the family**. That means that you are expected to participate in family meals, help with household chores, attend church services with us, and to respect and encourage the other members of the family.

Why we do what we do...

Someone once solved our biggest problem. We were under a death sentence and now we are **FREE**. Out of our gratitude, we want serve him and help those who need his help, just as we did.

We were sinners who had offended God and justly deserved death (Romans 3:23). God loved us so much he sent his Son (John 3:16). Jesus lived a sinless life and died on our behalf (Hebrews 4:15). We were given credit for Jesus's perfect life and he took the punishment that we deserved (2 Cor 5:21). As a result, by God's grace (undeserved favor), we have been made right with God and are looking forward to the hope of Heaven. God gives us His Spirit, who helps us to obey and compels us to love and help others. We love because he first loved us (1 John 4:19).

According to the Bible, anyone who believes and places their hope in Jesus Christ, will be saved (Romans 10:9-10). Ask God to give you a new heart that no longer desires sin but delights in God.

Our deepest prayer for you is that you come to know the peace that comes from knowing Jesus as Savior and Lord.
